

Welcome to Crystal Clear Ear Care!

Are you tired of hiding those pesky thread veins, spider veins, or small varicose veins? Good news – I have just the solution for you! At Crystal Clear Ear Care, I offer **sclerotherapy**, a quick and effective treatment that can help you say goodbye to those unwanted veins and hello to smoother, more confident legs!

What's Sclerotherapy All About?

Sclerotherapy is a simple, non-surgical treatment that works wonders for getting rid of those small, visible veins that can make you feel self-conscious. During the treatment, a tiny needle is used to inject a special prescribed solution directly into the problem veins, causing them to collapse and gradually be reabsorbed. Best of all? The whole process usually takes just 30 minutes, and you can get back to your day immediately afterward!

Why You'll Love Sclerotherapy with Me:

- **Super Quick:** Most sessions are often wrapped up in under an hour, with most taking just 30 minutes.
- **Totally Safe:** You're in good hands! All treatments are done by myself, a fully insured Registered Nurse with over 18 years of clinical experience, ensuring you're getting top-notch care.
- **Barely Any Pain:** Most clients say they barely felt a thing. I use the tiniest needles and inject small amounts, making the experience as comfortable as possible. But don't worry, if you're concerned in any way, I can provide you with a local anaesthetic cream to apply prior to any planned treatment.
- **No Downtime:** You can jump right back into your daily routine after treatment. Only heavy exercise might need a day or two off – easy peasy!
- **Amazing Results:** You'll likely see improvements after just one session, with even better results after a few treatments depending on the density of vessel coverage.

Here's the Scoop on Pricing:

- **Initial Consultation:** £20

(This fee goes toward your treatment if you decide to move forward!)

- **Standard Treatment (30 mins):** £180 per session
- **Extended Treatment (60 mins):** £250 per session

Bundle Up and Save:

- **3 Session Bundle:** £450
- **4 Session Bundle:** £600

(Any unused sessions? No problem – I'll give you a gift voucher to use at any point!)

Optional Aftercare Extras:

- **Compression Garments:** From £10
- **Arnica Treatment:** £5
- **Aftercare Package:** £18

What Results Can You Expect?

Most people notice a difference after just one treatment! Over the next few weeks to months, your veins will gradually fade, revealing smoother, younger-looking legs. Whether it's getting ready for summer or just feeling better in your favourite clothes, sclerotherapy can help you feel more confident in no time!

Why Choose Us?

At Crystal Clear Ear Care, your comfort and happiness are my top priorities. With over 18 years of experience in clinical practice and extended training in sclerotherapy, I'm

here to make sure you have a positive and personal experience from start to finish. I love helping my clients achieve their best look – and I can't wait to help you too!

Special Offer Alert!

September will be the last month that I will be looking for multiple models to feature in my website and social media promotions. So, if you're up for it, you can snag a **25% discount** on your treatments, making it the perfect time to start your journey!

Let's Get Started!

Ready to take the first step? Booking your consultation or treatment is super easy, or if you still have a few more questions, that ok too! – just give me a call/message or drop me an email:
